Each month, our editors choose a Product of the Month that has exceptional technical merit and practical value for our design engineering readers. Those 12 products are the nominees for the 2020 *Tech Briefs* Readers' Choice Product of the Year.

You're invited to cast your vote for the one product among the 12 listed here that you feel was the most important new product introduced to the engineering community in 2020.

The winners will be announced in *Tech Briefs* and at www.techbriefs.com.

Find out more about the 12 nominated products and cast your vote at www.techbriefs.com/poy

Only one vote per person will be counted. All votes must be submitted by January 18, 2021.
